

HONDA SPOOLS

Richmond Gear, the leading manufacturer of professional quality, hi-performance ring and pinion gear sets announces the addition of Honda Spools to their product line. For over 80 years, the **DOUBLE DIAMOND** has signified the highest quality American made gears for the racing industry.

Two Honda drag racing spools are available now. With these spools you will no longer have to buy a differential unit and go to the extra cost of welding the spider gears. This is the only true Honda drag racing spool available.
